

Over Instrument Table

Over Instrument Table

Use this Table to keep surgical instruments, supplies, even monitoring equipment conveniently close at hand during procedures. Manufactured entirely of durable Type 304 stainless steel, our Over Instrument Table features a mobile telescoping base for versatility. Plus, our conveniently-designed crank operates from either side of the Table to raise top height from 39-in. to 62-in. (99.06cm to 157.48cm).

Table top surface measures a full 40-in. long x 23-in. wide (101.60cm long x 58.42cm wide) to hold an assortment of supplies. And the raised back rail keeps equipment from sliding off accidentally. Rolls smoothly on 3-in. (7.62cm) diameter non-marking casters to allow you to move Table into position easily. Two casters have brakes for safety.

P/N	DIMENSIONS	
	Inches	Centimeters
108431-23	40W x 39 to 62H x 23D	101.60W x 99.06 to 157.48H x 58.42D
