

Premier Laminated/Regal Stainless Steel Prep-Procedure Tables

Our selection of Prep-Procedure Tables includes two styles of tubs; choose from a **6 or 18 Single-Depth style**, and a **6/18 Multi-Depth style**. A removable Prep Rack, which is designed for a secure fit, is included with each Prep-Procedure Table. Now every SSCI recessed-end and full cabinet Prep-Procedure Table is available in both **Premier** laminated or new **Regal** stainless steel models. SSCI's **Premier** Prep-Procedure Tables coordinate with our Modular Cabinetry and matching Countertop or Floor to Ceiling Chases; **Regal** Prep-Procedure Tables coordinate with our new **Regal** Modular Cabinetry and matching Countertop or Floor to Ceiling Chases in appearance and both match every construction detail of their cabinet counterpart. All Prep-Procedure Tables are available in two widths; 48-in. (121.92cm) and 60-in. (152.40cm), and are divided into 3 sections. Full Cabinet Prep-Procedure Tables include storage space in all 3 sections in a variety of drawer/cupboard combinations and Recessed-End Prep-Procedure Tables use one section on either the left or the right for knee space. Prep-Procedure Tables are typically purchased with tub only. SSCI Prep-Procedure Tables with abutted-style top and tub are designed to be used with SSCI Treatment Tables, Cabinets and Countertop or Floor to Ceiling Chases. See Prep/Treatment Centers, Section 12. Tops are available in either stainless steel or laminated models.

Premier Prep-Procedure Table Knee Space Left + 3 drawers + 1 Cupboard with Door Hinged Right, Drop in Tub

Regal Prep-Procedure Table 1 Cupboard with Door Hinged Left + 3 Drawers + Knee Space Right, Drop in Tub
